HTML Email Development ●●●●●

HTML, CSS, JS, SASS, Greensock, NPM, Git ●●●●●

Digital Design ●●●●○

HOBBIES

Surfing, kitesurfing, sailing, tennis, playing music, cooking

PROFILE

Bridging the gap between development and design. I've worked on both design and development sides of the team. I love both parts - creating the look and bringing it to life. I have 5 years experience in both fields.
